Strained Relations Between France and Germany Do Not Appear to Be a Market Factor.

NEW YORK, June 17. - The usually active list opened quiet and dull at general declines, ranging as great as 1/2 in Metropolitan Street Railway and Reading. The declines averaged 1/4. Steel preferred, Union Pacific, and Tennessee Coal & Iron and Brooklyn Rapid Transit were down 1 per cent. Twin

Price movements during the first hour of the stock market were very narrow and generally in the shape of declines of small fractions. A few of yesterday's buyers of Reading sold the stock 96. Japanese 4½'s continued firm, wit trading around 93, and there was con tinued small buying of Wisconsin Cer

trail.

There is some discussion in Wall Stree circles about the strained relations existing between France and Germany, but no one seemed to be disposed to sel stocks because of the diplomatic tension between the two countries over the Morocco situation.

Only 35 shares, however, came out even at this figure, but after the call 20 more were so.6, making a total of 95 shares. The asking price remained at 200.

The only other bank stock traded in was the American Security and Trust, of which 20 shares sold at 251.

Washington Railway common experienced a further decline, 150 shares selling at 34% and 100 at 34%, the latter figure also being the closing bid, with 354 wanted. The bid on the preferred receded to 88 with 90 asked.

There were two sales of Washington Gas, 25 shares at 61 and 25 at 80%.

Mergenthaler was slightly active and lower, 10 shares selling at 186, 10 at 185%, and 20 at 185. The latter figure was the closing bid with 185½ as the offer. "Rights" closed at 84% and 8½.

According to the opinion of the best informed market judges there will be a number of dividend changes in the current year that will work to the advan tage of the shareholders of the com panies concerned, a reflection of which is seen in the quiet buying of the securities of the properties by substantial market interests. While stock market market interests. While stock market trading is extremely dull, there is, nevertheless, a buying demand from a class of operators who seldom make a mistake in their judgment regarding the future of prices. This fact alone ought to suggest great caution among traders who are inclined to deal on the short side of speculation.

It is said that Equitable Life stock has been going begging this week at \$3,000 a share. Thomas F. Ryan paid nearly \$5,000 a share for his 502 shares.

That Wall Street is paying little at tention to tales of an 8,000,000-bale cot-ton crop is indicated by the relative

Mr. Berl informs the court that the deed of trust on the real estate mentioned, while drawn up was never recorded and has been lost or misplaced and cannot be found. He further says the reoney advanced on the notes was actually expended in the improvement of Cleveland Park by Mr. Waggaman at the time the loan was made.

Mr. Berl asks the court to decree him a lien upon so much of the property mentioned as was owned by Mr. Waggaman at the time the loan was made.
